2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

-  **NOTE:** The bench has been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

-  **WARNING:** The seat of the bench is intended for sitting only. Do not stand on it, swing on it or use it in any way that is not intended.
-  **WARNING:** The tabletop of the bench is intended for standard use such as writing or putting down light objects. Do not stand on it, sit on it or use it in any way that is not intended.
-  **WARNING:** The product is not intended for use by children under 12 years of age without adult supervision.

Transport and storage safety

-  **WARNING:** The product must be properly secured during transport and in the storage area to prevent damage or tipping over.
-  **WARNING:** The product packaging contains small loose parts that may pose a choking hazard to children. Keep them out of the reach of children and ensure that they do not have access to the unassembled product.

Maintenance, repair and disassembly

-  **NOTE:** If components need to be repaired or replaced, we recommend contacting an authorised service centre or dealer.
-  **WARNING:** Disassembly must be carried out carefully, especially with screw connections and metal components, to avoid cuts and damage to the surface.
-  **NOTE:** Carefully follow the installation instructions to ensure the bench is stable and safe to use.

Assembly and use

-  **WARNING:** Assembly and disassembly of the product require basic manual and physical dexterity. Persons having difficulty lifting heavy components should be assisted by a second person. Assembly instructions must be strictly followed to avoid the risk of damage or injury.
-  **WARNING:** The bench should be used on a level, stable surface. Using it on a sloping or slippery floor can lead to loss of balance and falling.
-  **WARNING:** The product is designed for use by the maximum number of people indicated in the manufacturer's specifications. Do not exceed the permissible load for one person and the total load of the bench.
