

1. Product and manufacturer

Product: Single and bench-type desks

Manufacturer: .mdd sp. z o. o.

Before transporting, assembling and using the product, read this information and the instructions supplied with the product.
Keep the information and instructions for future reference.

2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

-  **NOTE:** Single and bench-type desks have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

-  **WARNING:** The product is not intended for use by children without adult supervision.
-  **WARNING:** For bench desks with a centre panel or cable channels – do not use to hang or lean on to avoid deformation or breakage of fixings.

Transport and storage safety

-  **WARNING:** Desk components should be transported horizontally and protected against mechanical damage. Metal components and tops should be separated to prevent scratching.
-  **WARNING:** The packaging may contain small parts (e.g. screws, plugs) that pose a choking hazard to children. Keep out of their reach.

Maintenance, repair and disassembly

-  **NOTE:** Check the fixings of legs, connectors and accessories regularly. Loose components should be tightened.
-  **NOTE:** In the event of damage, discontinue use of the furniture and contact an authorised service centre or dealer.

Thank you for choosing our product and we wish you a comfortable experience!

Assembly and use

-  **WARNING:** Assemble the desk in accordance with the manufacturer's instructions. For larger sets (e.g. bench), it is recommended that assembly is carried out by two people.
-  **WARNING:** The desk must be placed on a level and stable surface. Setting it up on an uneven floor may result in a wobbly structure or damaged connections.
-  **WARNING:** Do not exceed the permissible tabletop load.
-  **WARNING:** Do not sit, stand or climb on the desk top – this may result in permanent damage to the product or injury to the user.
