2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

 **NOTE:** Conference tables have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.

 **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

Transport and storage safety

-  **WARNING:** The product must be properly secured during transport and in the storage area to prevent damage or tipping over.
-  **WARNING:** The product packaging contains small loose parts that may pose a choking hazard to children. Keep them out of the reach of children and ensure that they do not have access to the unassembled product.

Assembly and use

-  **WARNING:** Assembly and disassembly of the product require basic manual and physical dexterity. Persons having difficulty lifting heavy components should be assisted by a second person. Assembly instructions must be strictly followed to avoid the risk of damage or injury.
-  **WARNING:** Conference tables should be placed on a stable, level surface. Use on an uneven or sloping floor can lead to a loss of stability of the furniture or the overturning of objects placed on it.

-  **WARNING:** Do not exceed the permissible table load specified by the manufacturer. Excessive loading may damage the structure and create a risk of accident.
-  **WARNING:** Do not jump, sit or stand on the conference table. Such misuse may lead to structural damage, loss of stability and serious injury.
-  **WARNING:** The product is not intended for use by children under 12 years of age without adult supervision.
-  **WARNING:** Do not modify the table structure yourself or replace its components with non-original parts. Unauthorised modifications may result in decrease of safety of use and cancellation of product guarantee and certification.

Maintenance, repair and disassembly

-  **NOTE:** If components need to be repaired or replaced, we recommend contacting an authorised service centre or dealer.
-  **NOTE:** Carefully follow the installation instructions to ensure the furniture is stable and safe to use.
