2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

-  **NOTE:** Desk screens have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

Transport and storage safety

-  **WARNING:** The panels should be adequately protected during transport and storage to prevent deformation, soiling or damage.
-  **WARNING:** The product packaging contains small loose parts that may pose a choking hazard to children. Keep them out of the reach of children and ensure that they do not have access to the unassembled product.

Assembly and use

-  **WARNING:** The assembly of the panels should be carried out in accordance with the manufacturer's instructions, using dedicated fixings. Incorrect mounting can lead to panels coming loose or falling off.
-  **WARNING:** Make sure that the desk design allows the panels to be fixed securely and does not affect the stability of the whole.
-  **WARNING:** The product is not intended for use by children under 12 years of age without adult supervision.

Maintenance, repair and disassembly

-  **NOTE:** Check the condition of the fixings regularly. If loose, tighten or replace them.
-  **NOTE:** Any repairs should only be carried out using original spare parts. If necessary, contact an authorised service centre.
