Before transporting, assembling and using the product, read this information and the instructions supplied with the product.
Keep the information and instructions for future reference.

2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

 **NOTE:** Desk pedestals have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.

 **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

-  **WARNING:** For wheeled models, lock the brakes after placing the pedestal in its final position.
-  **WARNING:** The product is not intended for use by children under 12 years of age without adult supervision.
-  **WARNING:** Do not modify the design of the pedestal or install non-original components.

Transport and storage safety

-  **WARNING:** Pedestals must be transported and stored in an upright position, avoid tipping or overturning. Do not place heavy objects on an unsecured pedestal container.
-  **WARNING:** Packages may contain small parts (e.g. keys, slides) which may pose a choking hazard to children. Keep them out of their reach.

Maintenance, repair and disassembly

-  **NOTE:** Check the operation of the slide and lock mechanisms regularly. If necessary, contact an authorised service centre.
-  **NOTE:** In the event of damage to any of the components – discontinue use immediately.

Thank you for choosing our product and we wish you a comfortable experience!

Assembly and use

-  **WARNING:** This product is intended for the storage of documents and office accessories. It should not be used for other purposes (e.g. as a stool, platform or storage for heavy items).
-  **WARNING:** The pedestal is equipped with a mechanism that locks the extension of more than one drawer at a time. However, do not attempt to force open more than one drawer at a time, as this may damage the locking mechanism and may cause the container to tip over.
-  **WARNING:** Do not exceed the load limit for a single drawer.
