

# 1. Product and manufacturer

**Product:** Mediaboxes (media boxes, power and multimedia sockets)

**Manufacturer:** .mdd sp. z o. o.

Before transporting, assembling and using the product, read this information and the instructions supplied with the product.  
Keep the information and instructions for future reference.

## 2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

### Technical information

-  **NOTE:** Mediaboxes have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

### Maintenance, repair and disassembly

-  **NOTE:** In case of a technical fault, do not attempt to repair it yourself. Contact an authorised service centre.
-  **NOTE:** Regularly check the mechanical condition of the sockets and cables - replace them if damaged.

Thank you for choosing our product and we wish you a comfortable experience!

### Assembly and use

-  **WARNING:** Mediaboxes must be installed by a qualified electrician or technician in accordance with current regulations and installation documentation.
-  **WARNING:** Before installing or servicing a mediabox, the power supply must be disconnected. Failure to do so may result in electric shock.
-  **WARNING:** Do not modify or tamper with the internal installation of the sockets - this risks damaging the product and endangering the user.
-  **WARNING:** Do not overload power outlets. The maximum permissible load is specified in the product manual.
-  **WARNING:** Ensure that the mediabox is mounted in a way that allows adequate ventilation and free access to the connectors.
-  **WARNING:** Do not flood the mediabox with water or clean it with a wet cloth - risk of short circuit.
-  **WARNING:** The product is not intended for use by children. Users should use it as intended.
