## 2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

### Technical information

-  **NOTE:** The meeting cubicle has been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

-  **WARNING:** The seats and table must be used as intended. Do not stand on the seats or lean excessively on the table.
-  **WARNING:** If the cubicle is equipped with a TV bracket, make sure the screen is correctly mounted according to the instructions to avoid it falling.
-  **WARNING:** The product is not intended for use by children under 12 years of age without adult supervision.

### Transport and storage safety

-  **WARNING:** The product must be properly secured during transport and in the storage area to prevent damage or tipping over.
-  **WARNING:** The product packaging contains small loose parts that may pose a choking hazard to children. Keep them out of the reach of children and ensure that they do not have access to the unassembled product.

### Maintenance, repair and disassembly

-  **NOTE:** If components need to be repaired or replaced, we recommend contacting an authorised service centre or dealer.
-  **WARNING:** Disassembly must be carried out carefully, especially with screw connections and metal components, to avoid cuts and damage to the chair surface.
-  **NOTE:** Carefully follow the installation instructions to ensure the cubicle is stable and safe to use.

### Assembly and use

-  **WARNING:** Assembly and disassembly of the product require basic manual and physical dexterity. Persons having difficulty lifting heavy components should be assisted by a second person. Assembly instructions must be strictly followed to avoid the risk of damage or injury.
-  **WARNING:** The meeting cubicle should be placed on a stable, level surface. Using it on uneven ground can lead to it tilting or tipping over.
-  **WARNING:** The product is designed for the maximum number of users specified in the manufacturer's documentation. Do not exceed the permissible load.
