

1. Product and manufacturer

Product: Office accessories (organisers, holders, cable grommets, stands, function panels, etc.).

Manufacturer: .mdd sp. z o. o.

Before transporting, assembling and using the product, read this information and the instructions supplied with the product.
Keep the information and instructions for future reference.

2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

 **NOTE:** Office accessories have been designed with safety and functionality in mind and tested to comply with current standards.

 **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards.
This information can be found on the packaging or in the accompanying documentation provided with the product.

Maintenance, repair and disassembly

 **NOTE:** If the fittings become loose, tighten them immediately. If the accessory is damaged – stop using it and contact the manufacturer or an authorised service centre.

Thank you for choosing our product and we wish you a comfortable experience!

Assembly and use

-  **WARNING:** Accessories should be assembled and used in accordance with the manufacturer's instructions. In the case of tabletop components (e.g. brackets, cable grommets), make sure that the assembly does not damage the surface of the desk and does not disturb its stability.
-  **WARNING:** Do not overload organisers, holders and stands – always follow the recommendations for maximum load capacity.
-  **WARNING:** Do not use accessories in a manner incompatible with their intended use (e.g. as furniture climbing handles or support elements).
-  **WARNING:** In case of accessories with an adjustment function (e.g. monitor mounts, function panels), care should be taken when changing the setting to avoid jamming fingers or upsetting the mechanism.
-  **WARNING:** This product is not intended for use by children without adult supervision.
