2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

-  **NOTE:** Cabinets and bookshelves have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

-  **WARNING:** Sliding or hinged doors must be opened with care to avoid bumping or jamming fingers.
-  **WARNING:** The product is not intended for climbing, sitting or standing on. There is a risk of loss of balance and injury.
-  **WARNING:** The product is not intended for use by children without adult supervision.

Transport and storage safety

-  **WARNING:** Cabinets and bookshelves must be transported and stored in an upright position. Do not stack products on top of each other or transport in a way that may cause them to tip over or be damaged.
-  **WARNING:** The packaging may contain small parts (e.g. handles, screws, keys) that pose a choking hazard to children. Keep out of their reach.

Maintenance, repair and disassembly

-  **NOTE:** Regularly check shelf fixings, hinges and locks. Tighten or replace components if necessary.
-  **NOTE:** In case of damage, discontinue use of the furniture and contact an authorised service centre or dealer.
-  **NOTE:** In tall cabinets with sliding fronts, the door straighteners should be checked regularly and adjusted if necessary in accordance with the manufacturer's recommendations.

Assembly and use

-  **WARNING:** Assembly of the cabinet and/or bookshelf should be carried out in accordance with the manufacturer's instructions. For larger models, assembly by at least two people is recommended.
-  **WARNING:** Cabinets and/or bookshelves must be placed on a stable, level surface. For taller models, consider attaching the furniture to a wall for added safety.
-  **WARNING:** Placing heavy objects on the upper shelves may cause the furniture to tip over. It is recommended to place the heaviest items on the lower levels.
