

1. Product and manufacturer

Product: Office coat stands

Manufacturer: .mdd sp. z o. o.

Before transporting, assembling and using the product, read this information and the instructions supplied with the product.
Keep the information and instructions for future reference.

2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

 **NOTE:** Coat stands have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.

 **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.

 **WARNING:** The product is not intended for use by children without adult supervision.

Maintenance, repair and disassembly

 **NOTE:** Regularly check the stability of the base and the fixings of the components. In case of loosening, tighten them.

 **NOTE:** If components are damaged, discontinue use and contact an authorised service centre or dealer.

Thank you for choosing our product and we wish you a comfortable experience!

Transport and storage safety

 **WARNING:** The product should be transported in an upright position and properly secured against tipping over. Before transport, remove moving parts if possible.

 **WARNING:** The packaging may contain small assembly parts (e.g. screws, plugs) which may constitute a choking hazard for children. Keep out of their reach.

Assembly and use

 **WARNING:** Assembly of the product must be carried out in accordance with the instructions.

 **WARNING:** The coat stand must be placed on a level, stable surface.

 **WARNING:** Do not overload the hooks or arms of the coat stand.

 **WARNING:** Do not climb, sit or lean on the coat stand. This can lead to it falling over and causing injury.
