

1. Product and manufacturer

Product: Planter extension units

Manufacturer: .mdd sp. z o. o.

Before transporting, assembling and using the product, read this information and the instructions supplied with the product.
Keep the information and instructions for future reference.

2. Safety

Follow the warnings and notes below and ensure that those who may be involved also comply with them.

Technical information

-  **NOTE:** Planters have been subjected to a pre-market risk analysis. The product complies with safety requirements in accordance with applicable standards and regulations.
-  **NOTE:** The product bears a series number and an identification mark allowing verification of its origin and compliance with technical standards. This information can be found on the packaging or in the accompanying documentation provided with the product.
-  **NOTE:** Planters are equipped with a plastic insert for direct planting or for placing a ready-made plant casing inside.

-  **WARNING:** The product is not intended for use by children without adult supervision.

Maintenance, repair and disassembly

-  **NOTE:** Avoid prolonged contact with stagnant water and chemical fertilisers, which may cause discolouration or damage to the protective coating.
-  **NOTE:** Plastic insert should be emptied of excess water and kept clean - contamination can lead to mould or deposits.

Transport and storage safety

-  **WARNING:** Planters must be transported and stored upright, protecting them from toppling and mechanical damage.
-  **WARNING:** The product must be protected from weather during storage (if not intended for outdoor use).

Thank you for choosing our product and we wish you a comfortable experience!

Assembly and use

-  **WARNING:** Planters should be placed on a level and stable surface, in a place not exposed to direct strong gusts of wind (for tall models).
-  **WARNING:** Do not climb, sit or stand on the pot. The product is not designed to carry the weight of the user.
-  **WARNING:** Planters are not intended for storing materials other than plants and their accessories.
-  **WARNING:** The plastic insert must be used as intended - do not overload or subject it to mechanical impact.
