

New School technical specification

.mdd

MDD has a leading position among manufacturers of office furniture with many awards that prove quality and continuously increase demand for its products.

The realities of today's market require constant quality improvement at all levels of modern organization. This applies in particular to customer service, marketing, quality of products and also to quality of processes within the company. Partnership relations among employees and with business partners form a base of economic growth and success of the company.

Constant investments in innovative machinery park, optimization of management systems and an expansion of production halls allow to minimize the lead times for the product of the highest quality.

More than twenty years of experience in office furniture industry come with reference from a long list of companies and institutions to show their appreciation for an efficient and comprehensive service.

MDD is highly aware of the environment.

Being located in the forest region with lake by its side, MDD takes the nature seriously and invests constantly in a modern and energy-efficient solutions to preserve the local life. Company puts emphasis on waste segregation and recycling. MDD has been awarded for the exceptional care and involvement in waste disposal. All materials used are environmentally friendly and enjoy a high 95 % rate of being recycled.

2. Armrests - metal (right + left) in frame colour; OPTION WITH EXTRA CHARGE - for seat, backrest NEW1T, NEW1W

A - NEW1T, NEW1W, B - NEW2T, NEW2W; max. load 120 kg

Bases

N01

N04H

N07

N05H

N03K

Base N01:

- 4 - legged metal frame
- frame made of tube Ø18 mm, wall thickness 2 mm, powder coated

Base N07:

- 4 - star metal frame
- frame made of tube Ø18 mm, wall thickness 2 mm, powder coated
- swivel seat - 360°

Base N03K:

- 4 - star metal frame
- castors for soft floors
- frame made of tube Ø18 mm, wall thickness 2 mm, powder coated
- fixed seat

Base N04H:

- low stool
- 4 - legged metal frame
- frame made of tube Ø18 mm, wall thickness 2 mm, powder coated

Base N05H:

- high stool
- 4 - legged metal frame
- frame made of tube Ø18 mm, wall thickness 2 mm, powder coated
